

“Delivering Proactive Personalised End of Life Care in line with The NHS Long Term Plan”

Showcasing examples of excellence from GSF accredited hospitals, care homes, GP Practices, integrated sites and others to inspire you to improve care in your area

At this London conference, run by The National GSF Centre, we will hear from keynote speakers on implementation of the proactive personalised care approach of The NHS Long Term Plan, practical suggestions for progress in your own area and achievements of frontline GSF accredited teams in putting this into practice on the ground, across health and social care.

These frontrunning teams demonstrate what is possible to achieve across all settings, inspiring and encouraging you to develop top quality end of life care in line with The NHS Long Term Plan. Join us for inspiring examples of award-winning grassroots success, top level speakers, practical advice on implementing proactive personalised quality end of life care, learning opportunities at tailor-made workshops to suit all settings and networking with others committed to this area.
